Agenda:

Business Items: 10 min

- 2023/24 Budget Updates – Beth – Popcorn day is in the positive! Money still needs to be collected from a few people for the winter market and the middle school is going to pay us for the inventory. Kelly needs to turn in receipts but we are right around \$5,000 for income. Miori martial arts had 21 students, more than last time, some of those kids registered with Miroi for further lessons. That was a \$630 check. MH suite update - room has been updated and they still have about \$1,000 leftover. New social worker has an amazon wishlist (books, decor, thera-putty). She would like items for her room. We would like to determine if that room will be used in future for UPK.
- Beth will send a wishlist so we can review and make a vote. Send out AFRs to be in for March and add correct wording and possible limitations.
- Account balance – Beth – \$23,557.77. May not include the \$9,101 that was deposited today.
- Membership Update – Lindsey – 134-unsure if we have 100% of teacher participation. We need to review and make sure we ask those who have not joined yet to become members. Nikki will get a list of teachers so we can cross reference.
- Board openings for 23-24 & people in mind for VP, treasurer or OAL.
 - Voting for Sarah as co president- motion approved Sarah as co-president.
 - We need to start thinking of people who can fill positions- VP, treasurer, OAL.
 - By April we need to have the nominees to vote in in May.
- Virtual meetings- Difficult to coordinate. Could be a function of the OAL to facilitate the virtual piece and operate a possible chat function. Need to get school wifi password to be able to utilize any platform. Amanda will offer a poll online to see who would be interested in a live stream option for the next meeting.
- Laker Exchange- Nikki- Agreed to save for spring book fair because there will be a parent night then.

Committee/Activity Wrap Up: 10 min

- Winter Market – Beth- The process is still being fine tuned. We had a lot of volunteers this year and that was very helpful. Biggest issue was the time slots we have for the kids to shop makes it difficult to help everyone through on time but we are aware that may not change and teachers are flexible with allowing students to return to class sometimes later. Next year we should advertise/coordinate a way to help those who may have missed their classes shopping day.
- Spirit Wear- Don't have numbers on how many have been sold. We can have a table out at raise craze for t shirt sales. Made about \$792.52 on spirit wear. Prices will go up \$2 next year to \$12 a shirt. All shirts will be \$12. Amanda offered to sell shirts at popcorn day and collect the money from the kids that day.

Upcoming Events – Committee Updates: 20 min

Discussion Items: 10 mins

- Next up for Spring
 - Square one- Up and running

- Read-a-thon- Sarah Smith -
- Raise Craze- Sarah Stocks offered to assist Nikki this year. Need a new theme. One idea is circles of confetti on the wall to show the project growing. Prizes don't need to correlate with the theme. We need to decide what the end prize is. Something for the school or something for each student? One idea is to poll the students to find out what they would like to see in the school. Potentially they can vote on the decision at the next assembly. Nikki will talk to Tracey Ryan about prizes for UPK specifically for age appropriateness.

Meeting adjourned -
